

WIMPOLE 2000 FOOTBALL CLUB

PLAYER SPONSORSHIP

As a way of players being more involved with the club and an incentive for them to “Gel” as a team, the players themselves wanted each team to have a club track suit with their own initials on it. The idea is to give them uniformity, so when they turn up for home and away matches they look and dress as a squad.

What do the players get from Player Sponsorship?

It's simple, they will get their own track suit with their initials on it to use at match games.

What do we, as the sponsor get?

For each £25.00 you sponsor a player for, you purchase the track suit with their initials AND your business card or company letter head will be added to our website alongside the player you have sponsored.

What is the breakdown of the cost?

Each track suit printed costs £20

The remaining £5 goes to adding your company information on to our website and its upkeep.

If you are interested in sponsoring one or more players, please email admin@wimpole2000fc.com and we will be happy to help.

Thank you for taking the time to read this information.
